*Week 4 commencing 12h July 2011*

**Monday:** Today was a day spent at the St Dunstons church Hall practising for the concert and filling in their scrap books.

**IF YOU VISIT THE WOKING FOCC WEBSITE GALLERY ALL THE PICTURES ARE BEING LOADED THERE EACH DAY AND YOU CAN POST COMMENTS IF YOU WISH TO.**

**Tuesday** was a visit, first thing, to Pizza Express. Not only do they make something but they can eat it at the end. It is impossible to use words to describe how friendly and kind the staff are. Please look at the website for all the pictures that were taken. It really captures what a great time the children had.

**Wednesday:** Jaqui Arnold had once again organised a trip down to Foxhills. It was the first visit this year and the children really enjoyed the visit. Later on it was back to the hall for more rehearsals. For the concert on Friday.

# The Weekly Woking & Mogilev Rocket

Week commencing 12th July 2011 week 4

Wednesday, it was off to Southsea, where the first stop was the pebbly beach., all the children paddled, only Gleb and Masha were keen to get in and join Marie, Karen De Snoo's little girl. Then it was off to the boating lake which had massive 5 seater pedalo Swans

where we set up camp. The children were given unlimited time and although in the beginning there was some dispute about who would go in the front, very soon there were disputes about whose turn it was to sit in the back.. Ice creams were kindly supplied by Karen Brice and Karen De Snoo which were well received. The final destination was the ever popular 'Two Penny Arcade'

**Thursday and Friday:** As we neared the end of the visit, Thursday and Friday were spent finishing thank-you cards, updating the scrapbooks and of course rehearsing for the concert. The weather was glorious on both days so the children have had the chance to spend a lot of time playing outside in the gardens of the church.

Then on Friday evening it was the concert. The children sang, danced and recited poems. They were all enchanting and the audience this year was mainly made up of families who thoroughly enjoyed the event. Luda and Olya encouraged and directed the children magnificently. At the end all the children were rewarded with certificates for being so good throughout the visit. A girl and boy were recognised for being the outstanding girl and boy of the visit. Gleb & Vita were the proud recipients of this accolade. Father Frank, who with the team at St Dunstan's have supported the charity over the last 4 years
